Gunvant & Bharati Parekh College Scholarship

Gunvant & Bharati Parekh immigrated to the USA in the late 60's. With hopes for a better future, they believed in core Indian principals, raising their kids in the traditions and customs of their motherland.

This coming 2021 will mark the 7-year anniversary of the passing of Gunvant Parekh. He was a forward-thinking pioneer. Being the first in his family to leave India, he established himself in a new country and helped his extended family settle in America. Despite moving to a new country, he never forgot the core Indian values he was raised with. He was a disciplined, and principled individual, but always valued family over all else. He was a foodie, dancer, and lover of life.

This coming 2021 will mark the 20-year anniversary of the passing of Bharati Parekh. She was a caring, selfless human being who touched the lives of everyone who knew her. She was a bright woman, educated as a chemist and finished at the top of her class in Gujarat! Always with a smile, she was a devoted wife, mother, grandmother, friend, and person, seeing the best in everything.
